

Welcome from Dean Dennis Thompson

Welcome to the Southwestern Oklahoma State University College of Pharmacy 75th Anniversary Celebration. We are excited you have joined us as we celebrate the tremendous legacy of excellence the College is built upon. We take great pride in the history of the College, exemplified by our accomplished alumni who continue to reflect the professionalism, integrity, and innovation ingrained in our graduates. As we celebrate the tremendous success and legacy of excellence that is behind us, let us continue to embrace the exciting future of the College as we look forward to our 100th anniversary.

The future of the College of Pharmacy is bright. We are tackling today's challenging health care environment with new ideas, with the brightest minds, and with enthusiasm for learning. The curriculum of the Doctor of Pharmacy is strong; the quality of the faculty is unparalleled and the students in the program are outstanding. The educational outcomes of our College of Pharmacy combined with the cost of our pharmaceutical education ranks our program as one of the best values in the country. Join us as we continue the great legacy of excellence in pharmaceutical education that has marked this College of Pharmacy from the beginning!

About This Booklet

This souvenir booklet highlights the milestones of the past seventy-five years within the College of Pharmacy and features many of the individuals who played a role in the success of the College. The major sources on which we relied in creating this booklet were past issues of the Southwestern campus newspaper, the Bulldog yearbooks, and individual alumni contributions. No history can be complete, but perhaps this brief glimpse will awaken fond memories of your time at the Southwestern Oklahoma State University College of Pharmacy.
