The Honorable Brad Henry  
Governor of Oklahoma

The Honorable Cal Hobson  
President Pro Tempore of the Senate

The Honorable Larry Adair  
Speaker of the House of Representatives

I am pleased to submit the eleventh annual report of the Oklahoma Real Estate Appraiser Board. The report has been prepared pursuant to Section 858-705.1 of Title 59 of the Oklahoma Statutes.

The Oklahoma Certified Real Estate Appraisers Act, (59 O.S. §858-700 et. seq.) provides appraisers within the state a process for certification which allows them to participate in federally related transactions pursuant to the federal guidelines set forth in the Financial Institutions Reform, Recovery and Enforcement Act of 1989. The Oklahoma Real Estate Appraiser Board was established by the Act and has oversight responsibilities for the real estate appraiser certification process.

As required by the Act, this report includes data regarding the number of applicants, examinations administered, pass/fail rate, complaints filed and the disposition of those complaints. A directory of licensed and certified appraisers has been included for reference.

This report also contains an analysis of the distribution of appraisers in the state by county. There are two (2) counties that do not currently have licensed or certified appraisers. More than half the counties have certified appraisers residing within their borders. Tulsa County and Oklahoma County have a combined total of 627 trainee, licensed and certified appraisers. Likewise, it is anticipated that we will license and certify an average of thirty (30) new appraisers each month. To date, the State of Oklahoma has 1,580 state licensed and certified appraisers. There are 258 trainee appraisers, 550 licensed appraisers, 338 certified residential appraisers and 297 certified general appraisers. There are 137 non-resident appraisers, the majority being certified general.

If you or your staff have questions or need additional information, please contact my office.

Sincerely,

CARROLL FISHER  
Insurance Commissioner  
Chairman, Oklahoma Real Estate Appraiser Board
