# Preface

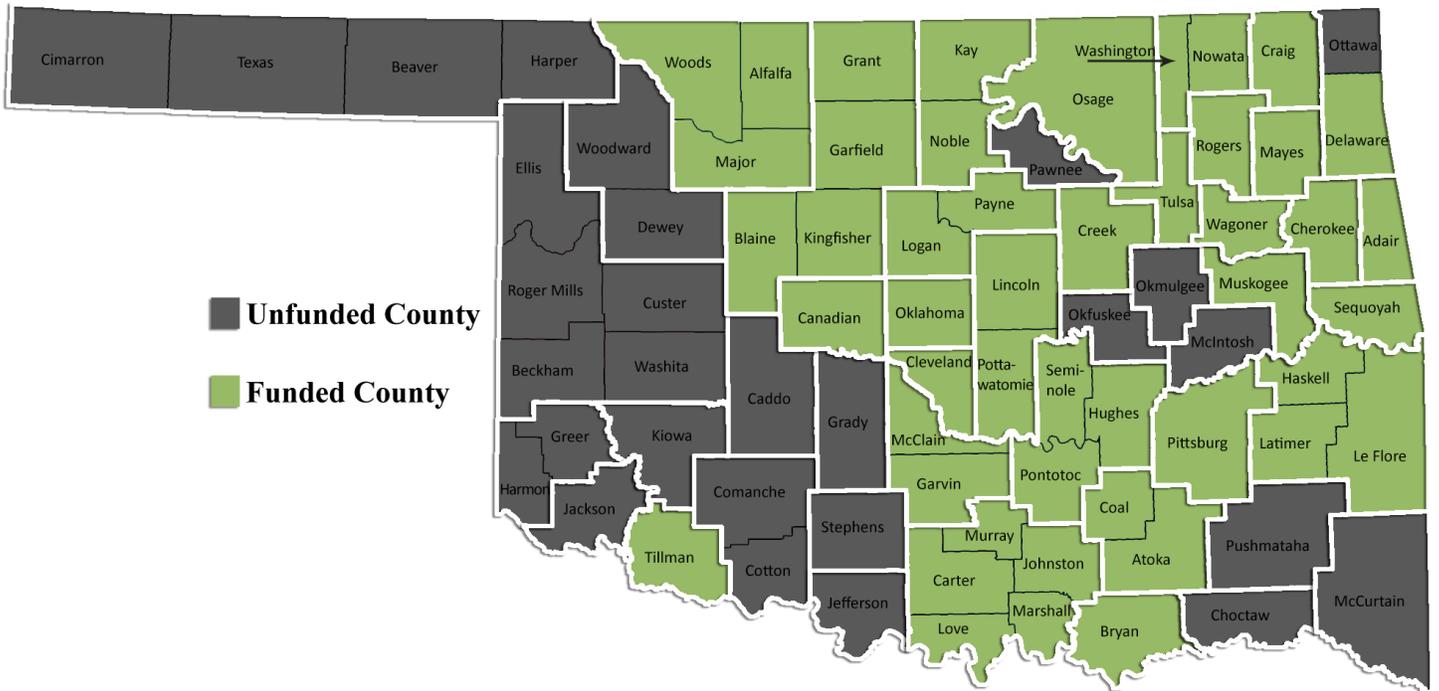

The Community Sentencing Division of the Oklahoma Department of Corrections prepared the 2009 Community Sentencing Act Annual Report in compliance with the requirements of 22 O.S. § 988.15.13.

## Introduction

The Oklahoma Community Sentencing Act was implemented in pilot councils in March 2000. As of June 30, 2012, the community sentencing system had been operational on a statewide basis for 12 full years. During FY 2012, funding was provided for 28 community sentencing systems, 18 single county and 10 multicounty, encompassing 44 of the state's 77 counties.

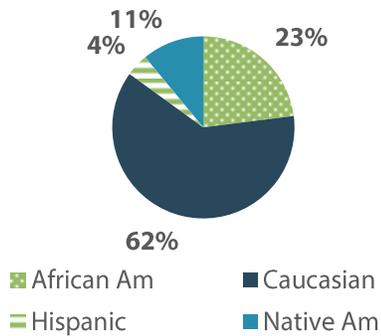

Community Sentencing Act eligibility criteria was changed during legislative session and as of November 1, 2011, offenders scoring outside the low range on the LSI-R and having been convicted of at least one prior felony are eligible for a Community Sentence and State funded community punishments.
