

The hard work of fulfilling the requirements in HB3399 continues, and the draft ELA and draft Math standards can be accessed at: <http://ok.gov/sde/newstandards>. Dedicated teachers and content experts from all across this great state have been volunteering their time to ensure that the academically rigorous standards reflect Oklahoma values and principles while also maintaining a standard of excellence necessary for our children to live and work in the global economy of the 21st century.

## Students Needed to Participate in Cognitive Lab Study

The Oklahoma State Department of Education (OSDE) Office of Assessments would like to invite teachers and students to participate in a cognitive lab study to provide effective stakeholder feedback for the development of the science assessments aligned to the Oklahoma Academic Standards for Science.

The study will take place the week of September 14. Current 6th and 9th grade students and those who have completed Biology are eligible to participate. Please see the [attached document](#) for more information and to apply.

## OSDE Webinar Announcement

You are invited to participate at 1 p.m., Wednesday, September 16, in an informative webinar, titled, Title IX.

Dr. Robyn Miller, deputy superintendent of Educator Effectiveness and Policy at the OSDE and Andrea Hamor Edmondson, MA, DCSVRP, with the Oklahoma State Department of Health will present information on this complex topic.

Please register for the webinar at: <https://oksdeevents.webex.com>

If you have questions, please contact Joy Hermansen at the OSDE: (405) 521-2106.
