Welcome Robbyn!

It's not a small thing when someone chooses to leave their job and make their way to the hallowed halls of the Hodge Building here at 23rd and Lincoln. And yet, passionate educators continue to make the leap when their motivation and the circumstances intersect. We are just now at one of these intersections having recently lost Jennifer Lamb to her dream job with Santa Fe South Schools.

So, the courageous soul takes up the mantle of advocacy and stewardship for Oklahoma mathematics teachers yet again! Robbyn Glinsmann is not a newcomer though. She has a great record with teachers and colleagues serving Edmond as the Elementary Mathematics Content Specialist for the past few years and as a Mathematics Instructional Coach before that. Her
