

Welcome to Oklahoma's New Academic Standards

Greetings, teachers!

We want to thank all of you for your commitment, caring and professionalism, particularly in these challenging times. You are valued! We appreciate everyone who contributed to the writing

of the standards for Oklahomans by Oklahomans. These standards – which take effect next school year – are clear, concise and comprehensive.

The goal of the Oklahoma State Department of Education (OSDE) is to provide support as you begin to implement the 2016 English language arts (ELA) and mathematics standards. OSDE is preparing a number of resources to give you the teaching tools you need. Below are some examples of what will be available to you on the OSDE standards web pages.
