Subject: THIS WEEK: Happy Independence Day! - 7/4/16

ISSUE NUMBER SEVENTY-ONE • July 4, 2016

Good Monday afternoon to you. On this day 240 years ago, our Founding Fathers brought forth the Declaration of Independence – identifying the rights of man as “unalienable” and “endowed by our Creator.” Today, we are still fighting to preserve those rights, and as we celebrate Independence Day, I want to encourage you to take a moment to reflect on the sacrifices that have been made to secure and protect our liberty.

On current note, the Supreme Court recently struck down the Obama administration’s unlawful executive orders on immigration. This decision is a victory for the rule of law and a major setback to President Obama’s agenda to rewrite immigration laws through unconstitutional means.

Happy July 4th, and have a blessed week -
